SIAM GARAGE s.c.c.

CAR WASH, DENTING, PAINTING, MECHANICAL & ELECTRICAL WORKS

Welcome to SIAM GARAGE

WHO WE ARE

We Siam Garage established in 1979 has offered superior vehicle repair and maintenance for more than Forty years. We have built an understanding of our customers and their vehicles. We have continued to grow from strength to strength as a dedicated and experienced professional vehicle repair and maintenance workshop. At Siam Garage, we go the extra mile for our clients. We don't only aim to understand what your vehicle requires, but we also aim to understand you as an individual.

Placing your trust in Siam Garage will not only give you peace of mind and keep your vehicle on the road but will also provide a worthwhile customer experience.

gion to know that Siam Garage is the vehicle service center you can rely on. We want to be your first choice when your vehicle needs service or repair.

OUR VISION

Here at Siam Garage, we understand that every second is valuable. When even one vehicle is experiencing a problem, the entire business is affected. We aim to produce the fastest turnaround times in the industry while ensuring that the vehicles in our care stay in optimum condition.

High standard vehicle repair services! A fast turnaround time should not compromise the level of service provided. Here at Siam Garage, quality service is as important as how fast we get the work done.

Keep costs to a minimum! We also understand that money plays an important role in fleet ownership. We aim to keep your costs at a minimum to cater to your budget needs in the best way we can.

OUR MISSION

We aim to become the mechanical workshop that vehicle and fleet owners trust. With our premium services, fast turnaround times, and cost effective prices, we want owners across the region to know that Siam Garage is the vehicle service center you can rely on. We want to be your first choice when your vehicle needs service or repair.

WHY YOU SHOULD CHOOSE SIAM GARAGE

DETAILED EXAMINATION OF VEHICLE

In this line of work, having an eye for detail is vital. Engines and vehicles consist of parts that fit and work together in a particular way. To avoid damaging the integrity of each vehicle's system, one needs to keep an eye on it.

EXCELLENT CUSTOMER RELATIONSHIPS

In any service providing entity, the relationship between the provider and the customer is vital for a good outcome. It is important to us that you feel respected and understood. It is not just your vehicle that we look after.

PROFESSIONAL WORKMANSHIP

We take pride in the work that we do. We deliver the final product to our customers as good as new; if we need to take a vehicle apart, we will take extra care when we put it back together.

VEHICLE SERVICE

A major service from Siam Garage center entails the following: Engine oil / Synthetic oil (engine requirements), new spark plugs, points and condensers, and more...
Every 40000km Service. All fluids on a vehicle need to be changed.
